## International Journal of Wrestling Science

- If you are interested in submitting your papers to The International Journal of Wrestling Science, [click here for author guidelines](#).

The *International Journal of Wrestling Science* is a peer-reviewed journal for all those professionals working in the field of wrestling sport science. Issues will be published quarterly. Topics include training science, physiology, psychology, sports medicine, biomechanics, pedagogy, history, sociology, and sports management. Regular features of the journal include:

Original Papers   Review Articles   Technique Analysis   Scoring Analysis   Case Studies/Profiles

### Editorial Board

Editor: David Curby EdD (USA) Director of the International Network of Wrestling Researchers

Dr. David Curby (USA)
