2P2'00

4. 吉元清香 (環太平洋大学)

5. 新井明恵 (法政大学)

3. 梶本千晶 (関西大学)

The diagram illustrates a network of paths and nodes. The paths are represented by thick black lines, and the background is white. The diagram includes several labeled regions: PO, ST, PP, and two regions labeled 2P2'00. Nodes are marked with numbers 0, 1, 3, and 4. The paths are connected in a way that suggests a flow or a sequence of events. The labels PO, ST, and PP are placed within specific regions, while the labels 2P2'00 are placed near the paths. The numbers 0, 1, 3, and 4 are placed at various nodes along the paths.
